RESOLUTION NO. 2012 – 154

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LINCOLN
APPROVING CHANGES TO THE MASTER FEE SCHEDULE

WHEREAS, there is a need to regularly review the fees charged for services and development within the City of Lincoln; and

WHEREAS, the City Council conducted a public workshop on August 1, 2012 to discuss proposed changes to the Master Fee Schedule; and

WHEREAS, the proposed changes to fees charged for services and development do not exceed the estimated costs required to produce the services; and

WHEREAS, all requirements of the California Government code Sections 66016 and 66018 are hereby found to be complied with.

NOW, THEREFORE BE IT RESOLVED, that the City Council of the City of Lincoln does hereby adopt the changes to the Master Fee Schedule attached and incorporated herein by reference; and

BE IT FURTHER RESOLVED, that the changes will be incorporated into the current Master Fee Schedule and will become effective immediately.

RESOLUTION NO 2012- 215

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LINCOLN APPROVING
CHANGES TO THE MASTER FEE SCHEDULE

WHEREAS, the Construction Storm Water Runoff Control Ordinance (the "Ordinance") requires that projects which create one or more acres of disturbed soil are to obtain coverage under the State Water Resources Control Board's existing Construction General Permit, and

WHEREAS, the Ordinance further requires the City to review the Erosion and Sediment Control Plans and inspect projects that disturb less than one acre of soil area and not part of an approved development plan that is larger than one acre, and

WHEREAS, the City does not have a fee in place to cover the cost of reviewing the aforementioned Erosion and Sediment Control Plans and conduct inspections for these types of projects, and

WHEREAS, the proposed fee for plan check and inspection by City staff will recover costs associated with staff time to provide these services and does not exceed the estimated cost required to provide the services, and

WHEREAS, this action is found to be in compliance with the requirements of California Government Code Sections 66016 and 66018, and

WHEREAS, enactment of this resolution does not constitute a "Project" as that term is defined under the California Environmental Quality Act (CEQA), CEQA Guidelines Section 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and Section 15060(c)(3) (the activity is not a project as defined in Section 15378) Furthermore, the City Council finds that there is no possibility that the adoption of these fees could have a significant effect on the environment, therefore, no further environmental review is necessary in accordance with CEQA Guidelines Section 15061(b)(3)

NOW, THEREFORE BE IT RESOLVED, that the City Council of the City of Lincoln does hereby adopt the changes to the Master Fee Schedule as follows

1 The fee for engineering plan checks and inspections for erosion and sediment control for a project less than one acre and not associated with a Grading Permit shall be as follows

A deposit of 5% of the engineer's cost estimate (\$500 minimum) is due at plan submittal. The actual costs of plan check and inspection at the City's established labor rates will be deducted from the deposit. The actual cost of plan check and inspection in excess of the deposit, plus the Engineering Administrative Fee amount, is due prior to issuance of the project Notice of Completion.

2. The fee set forth in this resolution shall not be applicable to any project which is exempt from application of the Construction Storm Water Runoff Control ordinance set forth at Chapter 13.30 of the Lincoln Municipal Code, or any project for which application of the provisions of Chapter 13.30 have been properly waived by the City.

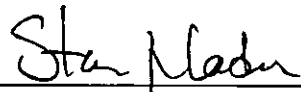

BE IT FURTHER RESOLVED, that the changes to the Master Fee Schedule will be incorporated into the current Master Fee Schedule and will become effective sixty (60) days after the passage of this resolution
